

IMMIGRANT JUSTICE IS JUSTICE FOR ALL.

**IMMIGRANT JUSTICE
STEERING COMMITTEE**
STATEMENT OF VALUES

WE ARE THE LP IMMIGRANT JUSTICE STEERING COMMITTEE.

We are part of a growing network of current and former local elected officials dedicated to ensuring that everyone – regardless of their immigration status – can thrive in our communities.

We are united by a shared vision of immigrant justice as justice for ALL. We know that people with the courage to move for a better life help make our country and our communities vibrant and strong. As local leaders, we are closest to our communities. We value the perspectives of and govern for each and every resident, no matter where they were born. We recognize that attacks on immigrants are the tip of the authoritarian spear and that we must create a future of full immigrant inclusion in our society to defeat authoritarianism. Together, we're fighting for a country that honors, protects, and supports all of us – whether we're born here or moved to make the United States our home.
